Wylie Wild Bunch to Educate Students on Home Fire Safety

Get Cooking With Fire Safety – Prevent Kitchen Fires

WHAT: Wylie Firefighters known as the “Wylie Wild Bunch” return to WISD elementary schools with a new thirty-minute, live, fire prevention program, *Prevent Kitchen Fires*. The high energy, comical, interactive presentation emphasizes the importance of kitchen safety, in addition to working smoke detectors, use of 911, developing a home escape plan, and stop, drop, & roll.

Every show will feature a student pulled from the audience to participate with the Wylie Wild Bunch and their zany antics. A set designed as a fire station serves as the backdrop for 2013 performance featuring characters preparing for a station inspection as they go through their daily routine.

WHEN: Tuesday, October 8-29, 2013
Various times and dates:

| | | |
|-----------------------|------------|-------|
